

FOR IMMEDIATE
RELEASE

Agent Vi Announces 2013 Channel Partner Awards
Anixter, Itec Digital, LAIS, Securadyne Systems, Spyke Security and SQX
recognized for their sales efforts during 2013

Tel Aviv, January 29, 2014 – [Agent Video Intelligence](#) (Agent Vi) is honoring leading members of its [Channel Partner Program](#) with **Channel Partner Awards** for their outstanding partnership and efforts during 2013 in their respective regions:

Spyke Security – Outstanding Channel Partner Award for 2013 for their continued exceptional sales and deployment of Agent Vi’s solutions over a number of years. As a leader in remote monitoring services in the Netherlands, Spyke Security has installed Agent Vi’s products in numerous construction sites, data centers, business/industrial parks, museums and additional sites across the Netherlands.

[Spyke Security](#) delivers innovative solutions to serve their customers from its certified monitoring centre in Alkmaar.

Securadyne Systems – Channel Partner Award for 2013 for the North America region for their ongoing commitment to Agent Vi and their professionalism in delivering high-level, large-scale Agent Vi deployments to their customers.

[Securadyne Systems](#) is a full-service security solutions provider headquartered in Carrollton, Texas, focusing on enterprise-class security systems deployments and next-generation cloud-based solutions.

Anixter Brazil – Channel Partner Award for 2013 for the Latin America region for their continued investment in marketing efforts to promote Agent Vi in the Brazilian market among systems integrators, A&Es and end users.

[Anixter](#) is a leading global supplier of communications and security products, electrical and electronic wire and cable, fasteners and other small components. Anixter helps its customers specify solutions and make informed purchasing decisions around technologies, applications and relevant standards.

LAIS S.r.l. – Channel Partner Award for 2013 for the European region for their sales and marketing efforts in the Italian market and their introduction of Agent Vi into multiple sites across Italy.

[LAIS](#) is an Italian systems integrator located in Brescia, with thirty years experience in the field of video surveillance and security systems.

SecuRex Solution Limited (SQX) – Channel Partner Award for 2013 for the Asia Pacific region for their commitment and efforts to introduce Agent Vi’s solutions into the Mainland China, Hong Kong and Macau markets and in recognition of the significant deals won with leading customers.

[SQX](#) is a value adding distributor focusing on professional grade surveillance solutions since 2004, serving resellers, installers and contractors alike in Asia Pacific, via their local offices in Hong Kong, Shenzhen, Shanghai, Guangzhou and Bangkok.

Itec Digital – Channel Partner Award for 2013 for the Middle East & Africa region for their support of Agent Vi from the product specification stage through to installation, and their advancing of Agent Vi solutions in major projects in the South African market.

[Itec Digital](#) offers technology solutions, including CCTV, advanced video analytics, access control, time and attendance, fibre optic, backup power systems, video conferencing, queuing systems, digital media display and media management solutions.
